Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:

A double-faced detecting device comprising a substrate platform, for supporting an electronic substrate, movably and rotatably attached to locate the substrate platform at a horizontal or vertical position wherein a pair of probes contact each side of the electronic substrate that are further oppositely mounted with respect to the electronic substrate and contact each side of the electronic substrate respectfully as detailed in claim 1 has not been found. It is further noted that the examiner's reasons are understood to be predicated upon consideration of each of the claims as a whole, and not upon any specific elements of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
